Sew-in Tags	1.5" x 1"	\$ 23	\$ 109	
	2" x 3.25"	\$ 32	\$ 152	

Definitions:

Adhesive Labels: Self-adhesive label good for applying to tyvek, paper, painted surfaces. An in-expensive way to label a lot of items. They may not stick to all surfaces.

Industrial Labels: Self-adhesive label with super aggressive adhesive which makes them good for many different types of material. They are more expensive than the Adhesive but more durable.

Iron-on Tags: Tags that come on a roll to cut as you need them. Good for bedding, drapes, curtains and other soft goods. Must be applied with a very hot iron.

Sew-in Tags: Tags that come on a roll to cut as you need them. Good for sheer curtains (that can't stand the heat of the iron-on tags), rugs, drops, other soft goods and upholstered furniture. They can be sewn on, or applied with rivets or staples.

500 Labels	\$ 228.00	500 Labels	\$ 119.00	\$ 143.00	\$ 85.00	\$ 70.00

What is the difference between the Industrial and Extra Durable Adhesive labels?

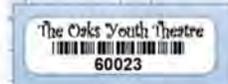

Adhesive Type	Description	Sizes	Cost
Industrial	Very Durable and very sticky (ultra aggressive adhesive). Labels will adhere to many types of surfaces. Good for putting directly on equipment or on a tyvek tag for cases.	Tiny - 7/8" x 3/8" Small - 1.25" x 0.5" Large - 2" x 0.75"	\$28 / 100 \$30 / 100 \$34 / 100
	Can be covered with a clear laminate label for extra durability.	2.25" x 1"	\$10 / 50
Extra Durable	Good adhesive (but not as good as Industrial) with a clear laminate cover that comes with tag. Good for use on Tyvek Tags for equipment cases. A less expensive option than the Industrial labels.	Printable Label: 1 7/8" x 7/8" Clear Laminate: 2 1/8" x 1 1/8"	\$25 / 100 \$118 / 500

Heat Tolerant: These small labels can withstand heat up to 425 degrees without damage. They can be used on Gobos or other small items that get hot.

Cable Labels: These labels have a white portion with your company/theatre name and the barcode and number printed. The rest of the label is a clear laminate that wraps around the cable and label to protect it. They come in 2 sizes for different sizes of cables/cords.
