

I want to Inventory my ...

Dance Costumes

If you are interested in creating an Inventory of your Ballet and Dance Costumes for your school or dance company - this *Quick List* of products and support resources will help you plan for what you need.

Theatre Inventory Database

The **Theatre Inventory Database** is an easy-to-use application to inventory your costumes, props/sets, wigs and patterns.

- ✓ Create detailed records with up to 6 photos
- ✓ Search on many fields - view results as list or Photo Gallery
- ✓ Print and share reports
- ✓ Assign Costumes, Props/Sets, and Wigs to Productions
- ✓ Rent/check-out items - Run reports to see what is still checked out
- ✓ Download a Free 30-day trial!

Tags & Labels

Custom printed inventory tags with barcodes for garments and labels for shoes, accessories, props/sets, etc.

Barcode Scanners

We offer 2 types of **barcode scanners** - wired and wireless. Use the scanner to scan the barcode tags to add records, checkout costumes and check them back in quickly.

**Petite Press
(for Iron-on tags)**

The **Petite Press** (by Dritz) is a great little iron to apply the Iron-on Inventory Tags. It gets very hot (good for Iron-on tags) and is small enough to fit in small places.

The Ultimate Ditty Bag

The **Ultimate Ditty Bag** is a great way to keep a dancer's small costume pieces, shoes, jewelry and accessories together back-stage.

Rack Dividers

Our King-sized **Rack Dividers** are great for keeping your costumes organized in the storage area and dressing rooms.

Adhesive Pockets for Storage Boxes

If you store any of your costumes or accessories in bins or boxes you will want to put a list of what is in the box on the front. You can print a list of the contents from the *Reports* menu. If you have a small box you can print a Box Report on a 4" x 6" card. You can get the 4" x 6" **pockets** from our store. For larger lists you can use an 8 1/2" x 11" sheet protector.

Check out our **Support** page on the website for links to our extensive collection of *Resource Guides*, *Tutorials* and the "Become the Expert" series of lessons.
